Through the Seasons

Well done to everyone who took part in the Show this year. It was a fabulous success and I am sure you all thoroughly enjoyed taking part. We have now had the final figures back from the Spa and can tell you that we have raised a magnificent **£1,701.66** for CLIC Sargent Cancer Care for Children. Thank you all for your support.

Half term

This will be week commencing 25th May 2009, with classes recommencing on Monday 1st June.

Medal tests — Saturday 6th June

Please would all chaperones arrive at the Spa by 1 pm, ready to receive children into the dressing rooms.

Please would all children who danced in the 1st half of the show (Spring & Summer), arrive at the Spa for 1.15pm and those who danced in the 2nd half (Autumn & Winter) at 2pm.

The Medal Tests will take place from 2.00 until approx. 4.15.

Parents are invited to watch the Tests free of charge, but are reminded that NO photography may take place and that mobile phones are switched off. Please would audience not sit in front of the adjudication desk, as this can distract the adjudicator, as well as not moving around during the actual dances.

Children will be allowed to leave as soon as their final dance has been adjudicated.

Please would you ensure that all Dancer Information Sheets containing details of your child for the Medal Tests are now returned.

Mobile Phones and Uniform

Although we do not ban mobile phones being brought to lessons, can parents please remind their children, that they are allowed for emergency use only and should be switched off or set to silent before starting a lesson.

Unfortunately, we have also noticed that the wearing of correct uniform has become a little lacking lately. This is especially noticeable with some of the older pupils. Can we remind parents and pupils that baggy tee-shirts and hoodies are not acceptable.

Can we therefore remind everyone that only the correct uniform is permitted in lessons, and that we also expect hair to be tidy.

Fees Payment

We are becoming increasingly concerned that we are regularly receiving an number of very late payments for fees, some as late as a full term.

Fees are due and payable at the beginning of each 7 week period, and not at the end. We have to pay our studio overheads on time, and it is becoming increasingly hard to meet these commitments due to the high number of late payments. Your cooperation in improving this would be very much appreciated.

Summer Term end

As we will not be producing another newsletter before the end of the Summer, can we mention that the Summer Term will end on Friday 3rd July. Classes will re-commence on Monday 7th September. We would like to wish you a very relaxing Summer break and look forward to seeing you all back refreshed and ready to start again in September.
