

Marwyn School of Dancing

Dear Chaperones

Thank you for all your hard work chaperoning for 'Through the Seasons', we do appreciate it.

The medal tests will be held on Saturday 6th June 2009 between 1pm and 4pm at the Spa. In order for these to take place we need to ensure that enough chaperones are available to look after the dancers and I would be very grateful for your help.

Please be aware that as a chaperone you may not get to see your child dance during the medal test. We will try our very best to ensure that you will see one dance, but I'm sure you will appreciate that this may not always be possible as when some dancers are on stage we need others to stay with the remaining dancers in the dressing room. It will depend very much on how many chaperones are willing and able to help out and it becomes more difficult if there is more than one child dancing from a family.

Please could you fill in the slip below to indicate whether or not you are willing and able to help and return it to **your child's dancing teacher by Friday 15th May at the latest.**

Thank you once again for all your help and support

Jackie

Name in capitals:

I am willing to help as a chaperone for the Medal Tests.

I am unable to help as a chaperone for the Medal Tests.
